WHAT IS DOING IN MODES.

Old World Trimmings in Vogue—Ruffles With Corded or Fluted Edges.

With the vogue of the new old silks, taffetas and moires and pean de cygnes, there has come a partial revival of the old time trimmings—narrow ruffles with fluted or corded edges, pullings and box pleated silk bandings and the like.

A smart and neat finish for the cuffs of the embroidered tailored waist is to buttonhole the edge of the cuffs as

A TUCKED OVERBLOUSE.

closely as possible This edge not only wears well, but gives a good body to the end of the sleeve

One of the loveliest gown materials of the winter is moire silk and wool poplin spattered with self colored polka dots The poplin has the chiffon finish of all new fabrics and falls in the most graceful folds

Wool back satin is one of the smartest materials for handsome tailor mades, and it certainly outdoes in appearance the satins which have been used for the purpose the last year

This overblouse is laid in tiny tucks and cut with short kimono sleeves The shaped trimming portion is very effective, though simple to treat Any guimpe can be worn with this blouse

JUDIC CHOLLET

This May Manton pattern is cut in sizes from 34 to 42 inches bust measure Send 10 cents to this office giving number 6313, and it will be promptly forwarded to you by mail. If in haste send an additional two cent stamp for letter postage which insures more prompt delivery

VOGUE POINTS.

What Is New in Hosiery—Wrap For Small Girl

New silk stockings are to "tone" shades rather than distinctive colors Gun metal gray silk stockings with any kind of suede shoes are fashionable Most of the new stockings have dainty flower clocks

Little girls are wearing Red Riding Hood capes with purchased hoods only

DAINTY FROCK OF CREPE DE CHINE

they are not merely red, but every imaginable color to match the sash and ribbons. They are made of French flannel or chiffon cloth, the hood being lined with thin silk.

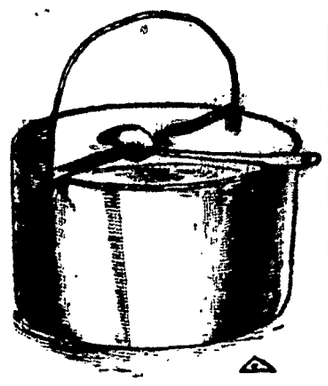
Thin materials made soft and full are the prettiest things for young girls. This dress is made of crepe de chine and is trimmed with the material. The skirt can be made with a foundation lining to which the flounce is attached and over which the tunic is arranged or the flounce can be sewed to the tunic under the lining, as preferred.

JUDIC CHOLLET

This May Manton pattern is cut for girls fourteen, sixteen and eighteen years of age. Send 10 cents to this office, giving numbers—skirt 6739, waist 6793—and they will be promptly forwarded to you by mail. If in haste send an additional two cent stamp for letter postage, which insures more prompt delivery.

HINTS FOR THE BUSY HOUSEWIFE

Handy Spoon Rest For Cooking Kettles.



A rest for keeping spoons from slipping into kettles can be made from a strip of metal bent as shown in the above illustration. The spring of the metal will make it easy to apply to the kettle The spoon placed in the rest will drain back into the kettle. The cover can be placed on without removing the spoon.—Popular Mechanics

Pimples and Blackheads.

Once every week steam the face for ten minutes, then press out the blackheads Next massage with the pimple cream, then wipe the cream off, dampen a corner of the towel with the toilet water and wipe the face gently until all the cream is removed You can then use a very little good face powder Cleanse the face and throat with the cleansing cream before steaming and every night before retiring In the morning use the toilet water instead of ordinary water This will cure the blackheads and pimples and make the skin as soft and white as nature intended it to be

Cleansing Cream Oil of sweet almonds, four ounces white wax two ounces orange flower water, four ounces

Pimple Cream Lanolin, one and a quarter ounces, oil of sweet almonds one and a quarter ounces, sulphur precipitate, one and a quarter ounces, oxide of zinc, five drams, violet extract, one dram

Toilet Water Elder flower water two ounces distilled water two ounces.—Philadelphia Press

Pumpkin Pie.

This is an old fashioned recipe Cut the pumpkin into large pieces, keeping the skin on, and put it on to boil When soft scoop out the pulp, sift it and for every heaping teacupful of pumpkin add one pint of rich milk, two eggs, one and a half cupfuls of sugar, one-half tablespoonful of ginger and the same of salt Make a good, short pastry fill with the mixture and just before putting into the oven put a few small pieces of butter over the top and grate over them a little nutmeg

Baked Apples.

Select large, tart apples Wash and wipe dry Remove the centers with an apple corer Arrange them in a pan with a very little water, filling the centers with sugar Dip the syrup over them two or three times while baking Serve warm with cream These may be made more delicate by paring the apples and baking in an earthen pudding dish, filling the centers with sugar, chopped raisins and nuts, a piece of butter and a little lemon juice

Quick Escaloped Oysters.

For one quart of oysters use one quart of hot milk and one pint of cracker crumbs. Put a heaping tablespoonful of butter in a hot skillet, into which put the oysters until plump. Have three layers of crackers and two of oysters. Pour the hot milk and melted butter over each layer of crackers and season the oysters with salt and pepper. On the top layer of crumbs put pieces of butter and brown fifteen minutes in a hot oven.

A Dutch Sandwich.

Cut some bacon into small dice and toss in a frying pan till crisp. Take large slices of freshly baked bread and toast a delicate brown, butter well and place on each slice a strip of cheese cut thin and nearly as large as the bread. Sprinkle with paprika and slip into the oven to remain till the cheese is sizzling. Remove and throw some of the bacon over and serve at once. Have the plates hot.

Brown Bread.

Sift one rounded teaspoonful of soda and one of salt with one cupful of cornmeal. Add one cupful rye meal and one of graham and mix well together. Mix two and a half cupfuls of sour milk with two-thirds of a cupful of molasses and stir into the dry mixture. Add raisins to suit. Steam one and a half hours in small cans.

Lotion For Chapped Lips or Skin.

Finest Russian isinglass, one-half ounce; glycerin, two ounces; rosewater, six ounces, oil of rose, ten drops. Bathe the face with tepid water, then rub in the jelly of rose.

Codfish Souffle.

Cream codfish in usual way and add beaten yolks of three eggs, mixing thoroughly. Fold in whites of three eggs beaten dry. Bake in buttered dish until firm in center.
