A Stanch Little Ship With a Big History.

An event of unusual historic interes recently took place in New York barhor. It was the decorating of the two masted schooner Polly with a memorial tablet telling of her valurous deeds in the war of 1812. The Polly was built in 1805 and is therefore 106 years old. She is sixty one feet tong, of old fashioned model and is still engaged in trade. The little schooner retains her original planking of three inch can. and her eight tuch ribs are as sound. as when placed in her over a century ago. Under command of Captain Jud than Upham the Polly sailed from Salem on Dec. 7, 1812 on the lookout for British merchantmen. Two days later she captured an English full rig ged ship. In all she took eleven prizes. Once she fell a victim to superior force and was taken prisoner by the British frigate Phoebe. A few days later she i was recaptured by a latted States man-of war and thus was spar d for the honor which lately came to her

The custom of taking children i tenerals is being denounced by many princhers and persons who backs a special study of children. They are that the child mind is especially send tive and it should not be subjected to thoughts of death and tragedy inless absolutely necessary, because the in pressions the child receives give an an desired twist and turn to the develop ment of the mind and have a jesting effect toward morbidness. The Rev. Gerald G. Fanshawe, vicar of Godale ming, England, has taken up the subject with much energy. He writer: "The clergy have frequently noticed that young children, sometimes in considerable numbers, are to be seen at funeral services at the cemetery. They are not the children of the bereaved family, but those of neighbors and occasionally of persons who merely comand watch out of morbid curiosity, It cannot be a good thing that young lives should be thus early familiarised with all that is sad and somber: To and brightness should be assiciated with childhood, and as for as possible they should be shielded from anything which is gloomy and depressing."
