Was His Name Wrong?

So fierce a tirade of abuse was directed against one of the prominent aspirants for the United States senatorship of New York...

Was the object of these attacks really so unworthy?

Or was it that his opponent was more worthy?

Close investigation did not reveal that the candidates assembled had been better or worse, as a politician, than his opponent.

Why then was he assailed almost as a blackguard and a criminal?

Surely it was not because he is Irish and of the Catholic faith? We hate to believe that yet appearances well-nigh force us to that conclusion.

Thirty-fifth Milestone

In July, 1911, the Catholic Mutual Benefit Association will celebrate its thirty-fifth anniversary and its members in New York state plan to celebrate the event in various ways.

"The 'C.M.B.A.' as its members fondly style this splendid organization is probably the oldest of the great international fraternal beneficiary associations. It has survived the mistakes incident to the organization of a new form of insurance association and so was Edward Murphy, Jr. If religious rancor inspired this persecution, then let us hope all the facts will become known also the identity of the secret transducers that they may not escape the contempt of all honest and fair-minded men!

Why should any eligible Catholic man be without Catholic fraternal insurance?

Walter B. Duffy - In the death of Walter B. Duffy, Rochester loses a splendid example of American citizenship...

About As Bad Here - Probably, the following editorial from the 'Catholic Univers' would apply equally well to Rochester.

The Polish language is to be added to the curriculum in the public high schools of Chicago. We think it is a loss of time and money to teach foreign languages in the primary departments.

Wishes He Hadn't - Commander Wm. S. Sims, of the United States Navy, is certainly a wiser if not a sadder wiser than the permit 'Ferrer schools' to be established in the United States.

If the time ever came when the British empire was menaced by an external enemy, they might count on every man, every ship and every dollar of their kindred...

If Senator Grady continues as he has begun there will be no question as to who is the real leader of the State Senate.

Are you affiliated with your parish Holy Name Society? If not, why not?

The 'Auto-Profanity League' may accomplish all its friends predict but just remember the Holy Name Society was the first in the field.

The Catholic Theological Seminary at Zi-ka-wei, near Shanghai, has 27 native Chinese students preparing for the priesthood, and the Preparatory Seminary has 21. Since the opening of this seminary in 1842, it has sent out 103 priests, 26 of whom became Jesuits, and 77 missionaries in different parts of China.

Rev. Paul Schaffel, a Jew convert to the Catholic faith, is at present acting as assistant pastor of St. Rose's church, Racine, Wis., of which Rev. J.M. Naughton is pastor. Father Schaffel was a resident of Milwaukee up to a few years ago, and it was there his conversion was accomplished.

No 'Human Icebergs' - Cardinal Gibbons gave a splendid argument for the Catholic Church as well as administered a scathing rebuke for those selfish persons whose only care is for their own personal welfare.

'There is nothing more repulsive or chilly than the human iceberg, who go about the world chilling those about them with their cold, haughty demeanor. There are many icebergs in the family circle, but it should not be so. Let your hearts be glad and radiate joy among others.

Mr. Archer Refuted. Andrew Shipman has performed service in exposing the utter unreliability of Wm. Archer's further defense of anarchist Ferrer in 'McClure's Magazine.'

Twain's Most Quoted Witticism - Of all the witty things said or written by Mark Twain no phrase has been quoted oftener than his reply to an anarchist report.

The Fleur-de-lis. The fleur-de-lis, the well known emblem of France, is said to have been brought from heaven by an angel to King Clovis, he having made a vow that if he proved victorious in an impending battle with the Alemanni near Cologne he would embrace Christianity.

Spelled His Sport. 'How many ducks did you shoot, Pat?' 'The divil a wan.'
