"Barker Brand" Collars Are Best Value

Every once in a while we feel it a duty we owe our men friends to emphasize the merits of "Barker Brand" collars.

For forty years we have been selling "Barker Brand" collars. That speaks pretty well for the collars.

Our opinion of them to-day is the same as it was the first day we offered them for sale. They are the best collars made and sold at 13c each; two for 25c.

"Barker" collars are made of pure Irish linen made as well as a collar can be made.

In addition to a number of styles which we carry as staple, we carry "Barker Brand" collars in more than 35 different shapes—sobby, up-to-date.

All that we have said to recommend "Barker Brand" collars is true of "Barker Brand" cuffs.

Collars are 13c each; \$1.37 a dozen.

Cuffs are 23c a pair; \$2.75 a dozen pair.
