Closing Out a Maker's Stock of Fine Vests.

Furnishing section has something over 1000 vests which demand more than a week's attention to select in pattern and up-to-date in style.

A New York manufacturer, who has discontinued his men's fancy vests, decided to discontinue the bulk of his business the other day. He had made his deliveries. These vests which you find here are what he had left.

Every vest is top-notch style in material, color, and tailoring. They are all either made or may be dry cleaned. Many are white with cord, stripe, heavy welt, or figure. There are delicate grays, and splendid browns in much like those which we mention in the advertisement.

We have made this arrangement: \$1.75 and \$2 vests will be sold for \$1.25. \$2.50 and \$2.75 vests will be sold for \$2.00. \$3 and \$3.50 vests will be sold for \$2.25.
