THE RED CROSS

Combination Range

(For Summer or Winter)

Coal or Gas,

Either or Both

No more space required in your kitchen than with an ordinary range. With an improved Gas Water Heater sufficient hot water for all ordinary requirements can be had in 10 minutes.

Special attention is directed to the vent pipe to chimney---thereby eliminating all possible dangers from gas fumes.

A complete Gas Oven attachment for Baking, Boiling or Broiling attached to the end of the Range. One of these gas ovens may now be attached to any Red Cross Range of recent construction.

Do not be beguiled into dispensing with the comforts of a kitchen range for coal or gas.

THE RESURRECTION OF MAN

By JAMES A. EDGERTON
(Copyright by American Press Association, 1911)

If faith in man were music
And love of man were song,
Then might I sing a measure
To move the world along--
Its theme, the Christ that is to be,
The Christ in all Humanity.

Tried by his sense illusions,
Himself man has denied,
Has scoffed the God within him
And has been crucified,
Has borne his cross up Calvary,
The Christ in all Humanity.

Now from his tomb self builded,
At last he shall be freed,
That will be resurrection,
And Easter morn, indeed,
And he shall know himself and see
The Christ in all Humanity.

Hail him, the arisen,
With lilies at his feet,
Called forth by his own angels
In resurrection sweet,
Roll back the stone of self and free
The Christ in all Humanity.

A SENTIMENT FOR EASTERTIDE

Easter exemplifies the triumph of life. Life is the supreme fact. Let us believe only in life, refusing to be dominated by the unsubstantial wealth called death, refusing to be diverted thereby from "the upward looking and the light." Then will Easter be to us the most significant, the most inspiring, the most uplifting of all the days that dawn.
