Dear Sir—I feel compelled to issue this statement of what your medicine has done for me. My hair was falling out completely. I was afraid to comb it. My face was equally as bad, but after one application, the hair ceased to fall, and after 50c bottle completely cured both my wife and myself.

Very Gratefully,

All Refrigerators Reduced

It is pretty generally understood that better refrigerators than our Home Furnishings store have made—Iceland, Eclipse, Ross Systems.

We have had a great success this season but it is also true that we have an unusually large number of refrigerators on hand. That is natural.

Suppose you take advantage of the reduced prices we make to-day to get that new refrigerator you need.

ICELAND REFRIGERATORS
Iceland refrigerators are lined with metal shelves, and removable air flues—perfect air circulation.

BOHN-STEPHEN REFRIGERATORS
Bohn Dry Air System is thoroughly understood by our customers. Best that it is unnecessary to state points of these refrigerators in prices. These refrigerators are in porcelain lined.
