Mystery of Lost Jewels Shrewdly Revealed.

Young Edgar Desmond, desiring to move in the swim of society and realizing that without a fortune he must be able to make some return for invitations...

The detective retired in confusion. Nevertheless the news of the sea-son's loss spread, and Chamberlain found himself in a very unenviable position. Desmond sought the hostess...

Stepping down from the platform, Edgar advanced to Miss Matwaring and putting his hand into the pocket took out the necklace, held it aloft, then handed it to the lady who had lost it.

Have you ever seen a Siamese girl kiss her doll? Well, you wouldn't know she was kissing it if you were not told, for she kisses it in the same fashion that grownup Siamese kiss and that is by touching their noses and drawing in a long breath.

Believe me, that was some feat. I asked him about it, and he said, 'I'm buildin' this here wall to save I. 'It won't do you any good, says I. 'A cyclone will tumble it over.'
