Milady's Mirror

For Tired Nerves After a crying afternoon in the shoos m at besiness take a hot lemonade with a dash of pineapple fruit alrup and you will be surprised at the ravival of cusery and general relaxation it affords. if the drink is taken at a sode fountain be careful not to get chilled when going out of doors. Hot lemonade opens the pores of the skin and causes one to be particularly sensitive to cold.

No complexion lotion has been found equal in beneficial results to lemon juice. The juice should be applied aftor the face is carefully bathed in hot water and a pure mild soap to remove all particles of dust and grime. If contact with the face causes a stinging someation, as it is sure to do, it is merely tangible evidence that the lemon is doing its work.

The juice should be gently massaged into the face until dry and should be bow has and to the waist. Sometim and the Bereat hint of soap and apply or they may be allipsed beneata cords a greateless cream and pore rice pow or other organisation.
