Going to Paint Your House?

Going to paint your house this spring? If you are interested in the subject of paint - good paint - The only kind worthy of consideration is the one which contains the properties necessary for penetrating the wood and protecting it thoroughly from its elements...

All of these qualifications are combined in Quality New Era Paint, a brand that has stood the test of years and has not been found wanting. We supply this paint in House Furnishing section Department.

It comes in cans, all ready mixed for use in cans for 2c, and various other sizes up to 100 lb. (can that sells, according to color used, for \$1.75, \$2.10, \$2.15, \$2.40 and \$2.45)

A full line of the New Era paint for woodwork, floors, furniture, bath, etc., is tried here at all times.

Johnson's wood dyes for interior woodwork also found here. Very pretty effects obtained by using these dyes. They are particularly adapted for rooms where mission furniture is used. Practically anything desired for interior use, is supplied here in quality paints.
