ANNUAL GARMENT SALE! Big Reductions On the Prices of all Suits, Coats, & Dresses

An Exceptional Opportunity To Save from \$5 to \$20.

The woman who decides on buying her garment before seeing what this shop is offering will be the loser by it. Comparison is the only real test of value.

For instance, one dealer advertises a coat worth \$20 for \$10, another says he is selling coats worth \$15 for \$10.

Here, the purchaser has a basis for comparison. Both offer her a coat for \$10. How is she to decide which is better if she has seen only one? Quite naturally she would think that a \$20 coat for ten is a better bargain than one worth only \$15. A moment's thought, however, would lead her to ask some questions. Are both these dealers equally reputable? Have they both the same standard for fixing values?

These questions can be answered in only one way, and that is by seeing the two garments. Then she has a chance to compare the quality of the materials, the tailoring, the style, the fit.

Lu Nette garments represent the highest standard of garment making.

The prices during the clearance are the lowest you have ever paid for goods of equal value. For these reasons you ought to see them before you buy.
