Progress has been our motto since 1880

THIRTY-THREE years ago this month our President, Mr. J. E. Kelso, entered the present laundry known at that time as the Troy Laundry, which was located at No. 12 Andrews St., where they employed four or five girls. Our laundry now ranks among the largest in the world—we are at present laundering over 26 tons of goods each week. A trip through our plant some Tuesday or Wednesday would lead you to say—this truly is an age of study and advancement. Come some week and see how we handle your linen.
