### Retiring From Business

Between now and April 1st, the old time honored clothing firm of I. Rice & Son, located at 94 E. Main St. will have retired from active business.

Their entire stock consisting of clothing and furnishings of the highest standard and latest approved patterns, embracing every detail known to modern clothing making—are selling at prices which seem ridiculous, yet the stock must be sacrificed as the store must be vacated.

Readers of the Catholic Journal looking for a high class stylish suit, or overcoat, can save much money by selecting from Rice's enormous stock.

Not all the best gone. Stock is yet ample to please even the most "hard to please."

### Gregg shorthand and Stenotypy.

New classes in Gregg shorthand and stenotypy will be started in the Rochester Business Institute next Monday, March 3d. The day school continues its sessions right through the summer months and students commencing now can carry their courses through to completion.

Information regarding both of the above courses given promptly, in person at our office, or by telephone or letter. Rochester Business Institute, Y. M. C. A., building, S. C. Williams, president; J. F. Forbes, secretary.

### Genesee Book Beer

on tap at all patrons on and after Saturday, March 1st. Telephone 71 Bell or Home for book in bottles.

Belgium has 6,000,000 laborers. Among them are 55,000 women and 15,000 children, who work more than eleven hours a day.

Great Britain owns sixty-five submarine naval vessels, France fifty-eight, the United States twenty and Japan twelve.

An outdoor sleeping couch patented by a Washington man folds against the side of a house like a sleeping car berth when not in use.

Treating them with certain gases, a French scientist has succeeded in keeping eggs fresh in ordinary temperatures for ten months.

It has been computed that 65,005,000 gallons of water were made use of last year in the washing and sprinkling of the streets of London.

In London more fires occur on Saturday than on any other day of the week and more in August and December than in any other months.

### James Cook

The 136th anniversary of the birth of Robert Emmet will be celebrated on Tuesday evening, March 4th at A. O. H. Hall. A suitable programme has been arranged.

The first Sergeant is requested to have the company drawn up for inspection at 8.15 sharp. All members must appear in full dress uniforms.

Members of the Company who are to attend the banquet of the Robert Emmet club will meet Sunday evening, March 2nd at 8.45.

### Ancient Manuscript Found

Yellow and tattered with age and with the ink so faded that it could hardly be read the original book beer formula has been recently discovered. This historical document was for generations buried in the strong box of a well-known family of German brewers and its authenticity being fully established, its present owner, the Moerbach Brewing Co., is seizing the opportunity of brewing a limited supply for the edification of the public. Rochesterians are therefore confronted with the fact that history always repeats itself.

### Night School

The Rochester Business Institute has decided, in response to the request of a large number of its present pupils, to extend the term of the night school for two months after March 1st.

Students can enter at any time. This extension will enable students to complete courses already begun and give time enough for those commencing now to get a fair start in the subjects which they may select. Rochester Business Institute, Y. M. C. A. Building, S. C. Williams, president; J. F. Forbes, secretary.
