ROUND THE WORLD

There are 36,527,000 cattle on United States farms.

New York annually consumes \$25,000,000 worth of eggs.

The production of copper has tripled in the last twenty years.

The cost of living has gone up 30 per cent in Russia during the last ten years.

Los Angeles women have started a club to attract new settlers to the city.

Buffalo plans the erection of statues of Grover Cleveland and Millard Fillmore.

The New York Housewives' league is demanding greater cleanliness in grocery stores.

New York found vice agents wearing religious attire to trap immigrants and ignorant girls.

It is stated that 1,000 tons of apricots are used in South Africa jam making annually.

Spokane's dog pound gives away dogs every Wednesday to persons paying city license fees.

Cleveland's new Salvation Army home for girls is to be governed by a board of representative citizens.

The Russian government has sent a commission to the United States to study refrigeration for food products.

Battleships of the United States navy will be equipped to assist city fire departments in fighting fires near water fronts.

The value of the ammonia obtained from the gludge virtually covers the entire cost of the disposal of London sewage.

Automobile crematories to follow an army in battle to dispose of the dead are suggested by a German military surgeon.

Dr. H. S. Tanner, noted fester, has celebrated in Los Angeles his eighty-fourth birthday. He says he will marry at 100 and live to be 120.

The Greater Honolulu chamber of commerce is being formed to merge the several trade and commercial bodies in the capital of Hawaii.

Frozen beef and mutton from South America sells in France at prices averaging 20 per cent less than is paid for meat that has not been frozen.

A new rubber tree has been identified in Mexico from which a high class rubber can be obtained. It thrives best in sandy or stony soils among rocks.

Light is admitted to a lensless camera invented in Germany that seems to have many practical uses through slots either vertical or horizontal as desired.

By removing a strip of bark from around an orange tree a Florida man made it produce more and larger fruit but at the expense of the tree's longevity.

Local Bell Telephone Directory

Closes May 10th

Your name should be included in the big list of Bell subscribers in Rochester.

The Summer issue of the Bell book goes to press Saturday, May 10th.

You can't afford to miss your share of business coming in over Bell lines. Your competitor probably has Bell Service. See to it that this season YOUR name will be in the Bell Directory.

Bell Service in your home means, your friends to talk with, Summer gayeties and social pleasure in which you will be included because your friends can reach you at any time. It is certainly worth a few cents a day.

That is all Bell Service costs.

Call, write or telephone our Local Manager to-day. Don't put this off or it will be too late.

New York Telephone Co.

95 North Fitzhugh Street

A Bell Telephone will help Rochester to grow.

LuNette SHOP

332 East Main St., Rochester, N. Y.

Anniversary Sale of **High-Class Suits**

AT **\$14.50, \$22.50, \$2.900**

These are all high-class suits, typical of the LuNette standard of style, tailoring and fit. They are made in a wide range of the choicest materials such as eponges, poplins, whipcords, men's-wear serges and worsteds, diagonals and Bedford cords. More than thirty different models are shown. Some of these are made on simple, girlish lines for misses. Others are cut on smart, dressy patterns for young women. While there are several strictly tailored styles that show to what perfection suit making has been brought. These suits have been selling regularly at \$25, \$35 and \$45.

The Anniversary Sale Prices are **\$14.50, \$22.50 and \$29.00**

More New Coats

Every day we add some new numbers to the coat stock. At present there is a wide range of handsome models to make choosing easy. Among them are those made of the finest grades of silk bougainee, moire and charmeuse, all wool Bedfords, eponges, men's coating serges and worsteds in plain colors, checks, stripes and mixtures. You will notice at a glance when these coats are tried on how perfect the fit and tailoring are. Very moderately priced, too.

Unusual Coat Values at **\$15.00, \$16.50, \$18.50, \$19.50, \$22.50 and \$25.00**

Pretty Waists at \$1.98 and \$2.98

Our waist buyer has just returned from New York. Some of her purchases have already been delivered, others are coming in daily. Among the new numbers are several styles of high neck and long sleeves as well as a large number of low neck and short sleeves with fancy collars and cuffs. The values are the best we have shown so far this season.

Exceptionally Good Ones at **\$1.98 and \$2.98**

LuNette Corsets at \$5.00

Eight Special Models

These are without question the best five-dollar corsets made. There are eight new models, among them being two face fronts, one for stout figures the other for medium ones.

Of the lace back models two are for stout, three for medium and one for slender figures. There is also at this price a model designed especially for girls. This has just enough boning to give support and outline to the figure. It is made of an extra fine quality imported coutil, has long skirt, low bust, ribbon top, draw string and six hose supporters. Every one of these eight models bears the LuNette label guaranteeing quality and fit.

Specially Priced, a Pair **\$5.00**

DETROIT & CLEVELAND NAVIGATION CO.

London's night schools, most of which are carried on by the municipal city, are losing pupils because of the counter attractions of the moving picture theatres.

A substantial prize has been won by a Belgian inventor in Italy for an artificial leather made of cotton, which is said to be as durable and elastic as the genuine article.

Strange uses are being found for some of the new dyes cut off in vast numbers by the Chinese. A British woolen manufacturer recently received an offer of five tons of such hair for weaving into woolen fabrics.

Life saving has been adopted as part of the regular course in swimming at Columbia university. Hereafter a student will have to show proficiency in saving persons from drowning as well as in swimming to get a degree.

Experiments have been made with dynamite on India tea farms. While it was shown that exploding cartridges in the ground help the growth of the plants, the cost, as compared with cheap coolie labor, was prohibitive.

"Keep Off the Grass" signs will be robbed of their terror for children in the Bronx, New York city if a more modern now under way is successful. More room for healthful exercise, with all the elements of danger removed, is the aim of the settlement workers.

Moving 30,000 pounds of machinery from one section of the Everett high school building in Boston, down a four step stairway and into the new annex was the task accomplished recently by the boys of that school, students in the technical science department.

Gustave Eiffel, the French engineer who built the famous tower in Paris bearing his name, has been honored by the Smithsonian Institution, whose reports have voted him a Langley medal "for his researches relating to the resistance of the air in connection with aviation."

Edward F. Terry is an erecting contractor who has put his sign monument on a hundred cities and rivers of the country. He recently put 40,000 tons of steel into the Manhattan bridge and fifteen tons into the Grand Central railroad station in New York city. Mr. Terry is worked his way up from driving red-hot rivets and is only fifty-four years old.

Sir Edwin Durning Lawrence, "probably the best lunched at man in the world today," has spent a million dollars in an effort to prove that Shakespeare wrote the works attributed to Shakespeare. He lives in a palatial home in London, where he has a library valued at \$250,000, entirely composed of volumes bearing on the subject which has occupied his time and wealth. Sir Edwin is aged seventy-six, has been in parliament and is also entitled to sit as a magistrate.

FATHER KOENIG'S NERVE TONIC

Made a New Woman.

San Antonio, Tex., Sept. 1912.

I was troubled with nervousness for two years, the effect of an operation would sleep a few hours every night, awake four to five hours every night, had no appetite and no more ambition and was unable to do my housework, but after taking one bottle of Pastor Koenig's Nerve Tonic, my sleep improved and I felt much better, and after three bottles I could do my work again, even washing and ironing, and felt like a new woman since. I improved so much that my doctor, when he saw me lately, had to look again to make out who I was. The Tonic has done me a world of good and I am never without it. Mrs. Rose Durant.

Rev. J. Hesse writes from Pena Blanca, N. Mex., that the bottle of Pastor Koenig's Nerve Tonic was for a lady, who says that it kept her alive.

FREE A Valuable Book on Nervous Diseases and a Sample Bottle to any address. Four per cent also for the medicine free. Prepared by Rev. FATHER KOENIG, of Fort Wayne, Ind., since 1878, and now by the
