## K. of C. Hold Annual Outing

It was the greatest day that Knights of Columbus have ever chosen for their outing, and more than 600 members, their wives, children, sweethearts and friends partook of the hospitality offered by the knights at Manitou Beach Wednesday, beginning at 11 o'clock in the morning and continuing throughout the day, and partly in the evening. The 54th Regiment Band enlivened the outing with good music during every pause in athletic or social activity.

Many races were run off and two ball games were enjoyed. Patrick Murray won the prize for having the largest family on the grounds. He had nine children. James Fee was the oldest knight present and George R. Johnson was the youngest. The family of William O'Neill won the honors for having the greatest number of knights on the grounds.

**Wise Girl.** He—What would you say if I were to kiss you? She—I don't know. That sort of speech should always be extremely nervous.—Boston Transcript.
