## Wonderful Values in Men's Shirts 67c.

About two weeks ago we had a special sale of men's shirts at 97c. Not every shirt advertised at the special price was sold, but we did not have a large quantity left on our hands—conclusive proof that our offering was appreciated.

To-day we have an entirely new lot of men's shirts to be sold at a special price, about 2,000 shirts in all.

They come from three of the largest men's shirt manufacturers in the world—anywhere as \$1 values.

They are all regularly made shirts, perfectly splendidly finished. They represent the best that these manufacturers had on hand at the time of our last sale. That is why we were able to secure them at such a low figure and can offer them to you for 67c.

Assortment includes mercerized fabrics in stripe patterns with soft, separate collars and French cuffs;

Soft and plaited bosom percale shirts, some with attached laundered cuffs;

Madrases of splendid quality in attractive patterns with jacquard figures.

There is a full line of sizes. It is an unusual opportunity to replenish your supply at a big saving.

Be sure to see them. They are 67c.
