Exceptional Raincoat Values

We have some particularly good news for you to-day.

There are just 30 raincoats here, the best coats we were selling a few weeks ago at \$10 each sold for \$8.50 each. At \$10 they were the best we had ever been able to offer and they are now as much to-day, but as the quantity is limited, the manufacturer has decided to make no more of this particular pattern, we are closing them out at the price of \$8.50.

They are back to back wool casings, high, close fitting collar, slanted pockets and straps, sewn and cemented seams, drab color, class coats in every particular.

We also have 54 light weight, double texture back raincoats, drab color with convertible collars, we have marked at the special price of \$4.50.

Both of these numbers are in Men's Park section in Aisle A.

Over in Section M, we have a number of double texture raincoats in tan color, good workmanship with convertible collars, absolutely waterproof, we will let you be judge as to their value, priced at \$4.50 each.

"Mr. Smith Is Out. I Don't Know Where He Is."

Mr. Smith had left his office. No one knew where he might be located.

So Mr. Smith lost an out-of-town telephone call that almost certainly was important.

A recent 5-day record in some of our larger Exchanges brought out the startling fact that, of all out-of-town calls not completed, 59 per cent were during just such situations.

This is not disinterested talk. We appreciate that such calls not completed mean a loss to us.

It is just as much a loss to you, though.

Leave word where you can be located when you leave your office. Our operators will follow you up and complete every out-of-town call when it is in any way possible.

It will help us to serve you.
