An Old-Time Filler

Grippen's Crack and Crevice Filler is one of the old and reliable preparations which give us satisfaction to sell and our customers to use. It makes floors and woodwork fit for any kind of finish, and never shrinks or cracks.

To relieve suffering humanity...
Louisville, Ky., October, 1912.
About six years I did not know what a good night's rest was. I would retire worn out, my home cares were very heavy and had no one to help me shoulder the burden. This thought nearly drove me frantic and my health was breaking down, but at this writing I stand favor Koenig's Nerve Tonic and now feel that I am myself again. That oppressive feeling on my brain disappeared like magic after the first dose of the Tonic and refreshing sleep returned and also my health, for which I hope that God will spare me long to relieve suffering humanity.

Mr. F. Heitz, of Reamstown, Pa., says that Pastor Koenig's Nerve Tonic helped him a great deal from sleeplessness which troubled him since the last two or three years.

COURTESY !

It's just a bit of plain politeness combined with kindness.

And when we pick up the receiver of a Party Line Telephone and find that some other person is using the line, we can afford to be both polite and kind by gently replacing the receiver and waiting until the other party has finished talking.

It is well for all of us to remember that WE would not like it if anyone "broke in" on OUR conversation while WE were talking.
