The meeting and conference of the Young Ladies' Sodality will take place Sunday.

Midwinter surf bathing may be delightful, but a lot of people manage to get along without it with no discomfort whatever.

A Pennsylvania farmer boasts of a hen which laid an egg with a nickel inside. Another puzzle for the income tax collectors.

The new water cure for bichloriditis will doubtless prove effectual if the patients are fortunate enough to rally from the water.

Washington is to stop the use of profanity on the streets. This is a cold and unsympathetic world for disappointed office seekers.

It is reported that King George liked the first poem of Post Laureate Bridges. Possibly the king liked it because it was rather short.

As a matter of fact, Mona Lisa has the peculiar smile of the wife who has lately rifled her husband's pockets in the still watches of the night.

Fashion notes for the coming year say that plaquists will wear short hair hereafter. But how is the public to know that they are plaquists?

Exploration may launch unless it is decided that a pole is so remote and difficult of observation as to need rediscovering from time to time.

Americans must be getting more contented with life. The increase of suicides has been at a slightly slower rate than the increase in population.

Turkey has purchased Brazil's newest Dreadnought. This will make a new and acceptable prize for the next country that gets into a row with Turkey.

The prize optimizer is the man who advocates the singing of grand opera in English on the theory that it would then be possible to understand the words.

Doubling the Minutes.

Do you know that the Bell Telephone will make money for you by doubling the minutes?

When you have more work than you can find time to do, out-of-town business trips to make, etc., let the Bell Telephone help to lighten your labor by sending your voice instead of going in person.

Every Bell Telephone is a long distance station.

NEW YORK TELEPHONE CO. No. 32 N. Duane St.

From 4:00 to 7:00 P. M. And Why

This is the month when Off Peak Demand is of greatest value. Look up your contract and, if you find you have signed the off peak option, watch your power load carefully between the hours of 4.00 and 7.00 p. m. Hold Your Demand Down Between Those Hours And Thereby Materially Lessen Your Power Costs.

If you haven't signed the off peak option, phone us and we'll send an Engineer to advise you whether it would be to your advantage to do so or not.
