The Major Domo gas-fired Vacuum Cleaner has all the advantages of other stationary cleaners, and then some, as the saying goes. As a labor saver it cannot be beaten.

For capacity and effectiveness the Major Domo has no equal at the price—\$200.00 installed, including four outlets.

From the standpoint of sanitation, the Major Domo is in a class by itself.

We are demonstrating the Major Domo in our offices daily, and would welcome an opportunity to prove our claims, whether you are in the market for a stationary cleaner or not.

Come! We Will Welcome You Because We All Want Your Opinion.
