### The Next Bell Directory Closes January 20th

The next issue of this most important directory is the one in circulation through the city and early Saturday. It closes for the printer on Wednesday, Jan. 20th. You only have until Wednesday to get your names in. Figures prove that you will be in the next issue.

1. More than 90 per cent of all telephone subscribers in Rochester have Bell service.
2. Over 60 per cent of all business places in Rochester having telephones have the Bell service.
3. 65 per cent of the Rochester residences that have telephone service have Bell service.

These figures are facts, not figures. Surely they prove that without Bell service in your business you are losing a competitor's trade. They indicate, too, that you should have Bell service.

Why not let us have your name in the next issue of the directory?
