Points for Mothers

Presidential Game. "Who's who?" is a good game for l'eb. 22. One may easily obtain penny pictures of United States presidents Secure about six sets of, say, Wash ington, Jefferson, Lincoln, Grant, Cleve land, McKinley, Roosevelt, Taft and Wilson.

Paste these pictures on cardboard Then cut them in quarters and shull them together on a large table. Le the contestants work in couples around the large table. To the couple who first succeed in completing a set goes an appropriate prize, such as a neatly framed print of Washington for the boy and a box of caudy tied with pa triotic ribbon for the girl

Naming the presidents is an instru tive games. The children choose sides for this just as in the old fashioned spelling match. After the sides have been chosen the hostess names one side Republican, the other Democratic. She tells them she wants to find out which party is most familiar with the full names of the presidents of the United States from George Washington down to Woodrow Wilson. Paper and Dencil are provided each contestant. The wir ning party, of course, is the one whos The state of the s correctly named presidents

This game may be followed by an in dividual contest on the naming of all the states in the Union, the prize going diving contests at the recent Sportsto the one who first completes the task

Nursery Play Tray. A truly invaluable nursery possession Catherine Brown. She was the youngs a tray of sand which will fit upon a est of the lot and surely the handsom-Among the white fabrics which will inches in height-and a little higher is Her father.
