ECONOMY IN EYEGLASSES

During the month of April we are giving you an opportunity to economize in eyeglasses.

Anyone purchasing a new pair of Toric lenses we will replace their old mounting with a new Shur-on or Fits-U without charge.

Just think of it-by buying a new pair of Toric lenses you can get a new nose piece for your old one.

You can have the new lenses made from your prescription or, better still, we will examine your eyes.

What we want is that you become acquainted with our methods, and if you are not entirely satisfied with the glasses we make you we will refund your money.

A square way of doing business, and we live up to every

Come in and let us explain.

QUAINT PARASOLS.

Ancient Fashlens Are Revived in th

Ancient Fashlens Are Revived in the by falsely accused of lying, and his of carrying a mapply of inciples in a nervous system will neffer thereby.

The quaint styles of parasols meet from 1820 to 1830 have again appeared. Shirrings, puttings, pipings, cordings and knife plaitings are used in a variety of ways, to emphasize ribs, to outline gores and to form borders. Many odd shapes and rich color compliantions are seen. Plain, severe styles make the first will not be the mast prominent being the send the mast prominent being the send the mast prominent being the send to not, are seen only with tailored fore others (a dramatic instant) several make and of the said striking tones, are seen only with tailored fore others (a dramatic instant) send make a fashle and striking tones, are seen only with tailored fore others (a dramatic instant) send mode of selections of the the dresses.
