German General Staff Sending Films of War

Announcement is made by the German-American Alliance of Rochester that it has obtained the right to show in Rochester, German war motion pictures, which have the approval of the German general staff. It is said the film give as complete a picture of the war as possible, as far as the German side is concerned. They will be shown to-day only, in the Baker Theater, beginning at 1 o'clock in the afternoon.

It is said that in hundreds of the scenes the Germans can be seen, fighting in the east and west, against the English, French and Belgians, and against the troops of the Czar. The life of the soldiers at the front will be shown and the manner in which they pass their time in their days of rest, and when they return from the trenches to little villages behind the front. Pictures have been taken in the different field hospitals.

This is a Good Time to Acquire the Habit

The year round Gas Kitchen saves time. That's an important point at any time, but right now it is more important because the housewife feels that it is, more than ever her duty to take advantage of the bargain offerings of Rochester merchants.

The merchant needs the money and the home needs the economies effected through the purchases, therefore, the benefits are mutual.

The year round Gas Kitchen calls for the use of a gas range, water heater and furnace connection.

The furnace connection can wait, get the gas range and water heater NOW.

Gas Range Prices \$20.00 and Up
Water Heater Prices \$16.00 and Up

5 per cent discount for cash. Liberal payment terms if desired.
