WAR'S EFFECT ON FURS Paris Depending on Russia For the Fall Output The precious furs from nearly all over the world always went to France.

Begin now to put away something every week. Perhaps it will be only 25 cents if the pay envelope is pitifully small, but 25 cents every week amounts to a fair sum at the end of the year.

Four Interesting Dishes For Luncheon.—Creamed Toast With Cheese Sauce.—This makes an excellent breakfast dish.

HELPFUL HINTS To clean varnish and paint rub with a cloth dipped in a weak solution of vinegar and warm water.

Covered Eggs.—Make a paste with one cupful of fine white bread crumbs, one beaten egg, two tablespoonfuls of minced ham or other cold meats.

Hot Cheese Sandwiches.—One roll, snappy cheese, one egg well beaten, one tablespoonful Worcestershire sauce, one-fourth teaspoonful salt, one-fourth teaspoonful mustard, bacon, rounds of bread.

Hot water marks can be removed from japanned trays by rubbing with sweet oil. When the marks have disappeared rub with dry flour and a soft cloth.

FOR FALL WEAR Practical Suit to Replace Tailor's and Linen.

Advice to Girls Who Work Do you possess a bank account? If you are the wife of a man of affairs or the daughter of some well paid worker you may answer in the affirmative without a thought as to the desirability of this possession.

"But," perhaps you remonstrate, "how can I put anything away when all my salary goes to pay my way in the world?"

Saving is no doubt difficult when the weekly stipend is small, but even under these circumstances something should be put away if for no other reason than the one of cultivating the saving habit.

And yet a bank account is their only protection against sickness, old age or loss of position—the only means of giving the worker any independence and personal freedom.

The girl who has no bank account is forced to put up with all sorts of inconveniences; she cannot give up employment which is uncommensurate because she has nothing to draw upon while looking for another opening.

With this possibility in view one would think that every reasonable worker would realize the importance of saving. But apparently few wage earners do.
