The Duchess of Marlborough and Her Devoted Work For War Relief.

THE DUCHESS OF MARLBOROUGH. Concessa, duchess of Marlborough, like so many of England's noblewomen, is still doing her full share of relief work for soldiers.

A Story of The Balkans

By DONALD CHAMBERLIN.

Shortly after the assassination of the Austrian royalties in Serbia that brought on the late European war I was talking with the friend...

To Whiten Towels. Ofttimes the towels become gray and dingy looking. Treat them in this manner and they will become white again.

Place them in a kettle and cover with cold water. Add shavings of pure white soap and the juice of a lemon. Place on the back of the stove and allow the water to gradually come to a boil. If very much soiled the process may have to be repeated.

ACTIVITIES OF WOMEN.

Women's clubs of Havana have joined in a petition against bullfighting. Although she is 101 years of age, Mrs. Elizabeth Taylor still works behind the counter in her tobacco store in Manchester, England.

Rather than take a civil service examination Mrs. F. H. Schmidt, who has been postmistress at La Motte, Pa. for the past thirteen years, has resigned. Queen Mary is the only woman in Great Britain who does not come within the scope of the married woman's property act.

Legend of the Day.

According to the old belief, every newborn baby that does become a girl will be visited by a spirit of a departed woman who will scatter some kind of flower from the sky.

A woman named Matina had her arrival for she was to leave her little son and go with me for America. The bride was so solemnized with a certain barbaric thought.

There is a very ancient belief that umbrellas were invented and first used by Jonas Hanway, an ecclesiastical high dignitary of the church.

Overheard in the Hall.

You talk yourself really more than you really are. exclaimed the riding whip, which was hanging on the top of the hatrack.

Fishing in Madagascar.

The fishermen of Madagascar sprinkle the lakes and streams with a poisonous substance which paralyzes the fish and causes them to float to the surface, where they are fished out by hand and eaten without ill effect.

A Sale of Airships.

You want to buy an airship? Which make do you prefer? The one that is out of style, but has made a stir?

The Well Groomed Woman.

This is distinctly a period of good grooming among women. The sleek, smooth, perfectly artfully looking woman is to be seen in the running.

They are not only so art, it is a subtle, as you can see with your own eyes. You cannot see with your own eyes, but the woman who dresses well does not only know how to appear, but she knows how to be seen.

Two quarts of raspberries, one cup of sugar, one pint of water, the juice of a large lemon, half-pint of gelatin. Put the berries and sugar together, let them stand two hours, soak gelatin in cold water to cover, add one pint of the water to the berries and strain. Dissolve gelatin in half a pint of boiling water, add this to the strained mixture and freeze.
