**Rengo Belt Corset**  
Demonstration Continues

The Rengo Belt Corset might well be called "THE CORSET OF GREAT STRENGTH," the extra strength of materials used and the particular patented feature of tailoring causes Rengo Belt Corsets to hold their shape under the severest strain.

A corset that does not bulge and stretch until well worn out is a boon of comfort to the stout and medium figure.

Rengo Belt Corsets can be depended upon for their great strength and elastic freedom, due to the inserts of strong webbing. We have with us Miss McNulty, a Rengo Belt expert to give fittings and furnish information regarding their superior features.
