With cold weather coming on and coal bills to pay and winter clothing to buy, corners have to be cut to make the contents of the pay envelope cover the bare necessities. Why not carry your meat home and save from 25 to 30 cents on every dollar? This is no exaggeration, but a fact, and we shall be glad of the opportunity to prove it to you. It is worth your while just to visit us and see how the meats are handled in the most sanitary market in the City.

Hettig, who has tutored the club so successfully in their previous performances. The scenery which is newly built, is now receiving the colors from the brush of scenic artist, Louis Binnet. Eugene Grivet, with his capable corps of stage mechanics and electricians, promise a series of novel scenic and electrical effects and one that is a rare treat, even on the professional stage. A most capable cast has been selected, who will make the most of the part assigned. The players are: George Gaenzler, Joseph Vollmer, William Munding, Frank Eberwein, William Kreckel, Carl Schoenherr, Geo. Klee, Ruth A. Weider, Mae Weider, Kathryn Kreckel and Agnes Jaeger.

Miss Gertrude Dobbertin, of 86 Hamilton St., entertained the "Thespians" of the Young Ladies' Sodality, who so cleverly staged the last comedy skit recently at the Young Ladies' Supper, on Saturday evening, who in turn reproduced the rapid fire volley of laughs at the above residence.
