YOUNG FOLKS' CORNER

Before Christmas.

"New, listen to your mamma, dollies, and I'll tell you a few good rules to observe, so that you will grow up good and useful members of 'ciety, and Santa Claus will bring you things on Christmas day."

A Spoonful of Fun. Sometimes, instead of feeling with his hands in order to discover who it is that has caught the blind man.

December Anniversaries. December 13, 1713, the anniversary of interesting events which have changed the history of the world.

A Present For Mother. A few more days to Christmas! Would you like to make your mother a special and pretty Christmas gift?

Christmas Fun. What's the longest day of the year? Dec. 25. When is a man over his head and under his feet?

What is a "coulee?" The term "coulee" is generally applied throughout the northern tier of states to any steep sided gulch or water channel.

Just Before Christmas. Long about the time of year when I get to feeling queer. Just contented as I can be.

All the folks now get a rest. Since I'm wain' on my feet, an' they need it, goodness knows.

SCIENCE—INVENTION

Survey of Middle West.

A piece of work recently done in the United States east and middle-west survey which is of special interest and value to the general public is the preparation of a "surveying backbone" for the middle-west.

Down Vacuum Pumps. There appears to be no good reason why American manufacturers of vacuum glassware should not extend their line to include Davy vacuum flasks.

Devices For Tinting Metal Lenses. Tinting a lens so that the light passing through it is of a certain color is a process which has long been known.

Naval Officer's Scientific Invention. The regular training of a naval officer tends to make him an analytical and logical thinker.
