A Little Chat About "Central"

The girl at Central is the most talked to girl in the community. She has a speaking acquaintance with hundreds of people who wouldn't know her if they saw her...

The Bell telephone operator is chosen for her clearness of voice, her courtesy and for her intelligence. These qualities enable her to help part in furnishing the highest grade of telephone service...

- 1. Always consult the Directory first. 2. Talk directly and distinctly into the transmitter. 3. Listen carefully when "Central" repeats your number. 4. Acknowledge the correct repetition or correct her at once if she misunderstands.

Next we're going to tell you something about the "Girl who never told a fib."
