OIL GREAT EXCITEMENT! Oil Supposed to Abound Near Rochester Oil

WEALTH PRODUCING OIL SAND FORTUNES MADE

It is possible that the next few months will see this a reality. Everybody is talking about the tests which are about to be made in the vicinity of the Dugway, in Penfield and Brighton, N.Y.

Realizing the tremendous advantages accruing from the discovery of oil on their farms, many of the property holders of the above towns have joined hands in a company to be incorporated...

There are many reasons why it is understood that oil abounds in this vicinity.

To begin with, expert oil men and geologists, after having gone over the ground claim, according to scientific deduction, that pools of crude petroleum may be found in this region.

A short tour of this territory will convince one of its possibilities. Its topographical view is not only similar to the Pennsylvania oil territory...

It is our intention to put down from seven to ten wells, going down to a depth of from 900 to 2,900 feet.

In the event of oil and gas being encountered in paying quantities, we will incorporate for \$1,000,000, par value stock \$1.00 per share...

We will send a limited amount of this proposed stock at TEN CENTS A SHARE, and you will be issued an interim receipt pending the encountering of oil and gas.

Table with columns: METHOD OF PROCEDURE, Shares, and Amount. Includes rows for 150 Shares (\$15.00), 300 Shares (\$30.00), 600 Shares (\$60.00), 1200 Shares (\$120.00), and 5000 Shares (\$500.00).

The directors of the proposed company will be the following gentlemen: Harry J. McKay, Insurance, Elwood Bldg., North Street...

ALL CHECKS MADE JOINTLY TO J. A. RONAYNE AND R. A. HAGAN. We do not guarantee that we will encounter either oil or gas...
