A nominal fee will be charged and owing to the fact that each team have strengthened their weak positions with new timber, a most exciting and close contest is looked for. The St. Andrew's Team were defeated the last game by a narrow margin but since have secured the services of clever and experienced players and have engaged Leo Doer for their twirler. The St. Boniface Team have their old reliable pitcher, Joe Frank, to have them into the camps of their foe, who are reputed to be a heavy putting artillery, but with the speed that "Joey" has been setting during the past season in the various leagues of the city, it is being whispered that their opponents would be compelled to use a magnifying glass to locate the "Indoor-Pill." The St. Boniface followers are organizing a "Rooters Club" to accompany their team and it is hoped they will send a big delegation as on usual occasions.
