AN ELF FROM FAIRYLAND.

Once there lived in Fairyland a precious little elf named Quicksilver. This was not her real name but was given to her one day by the king of fairies in a fit of anger at her waywardness.

One day a wise mortal named Quicksilver studied her habits. He determined to make her useful in the world by teaching them to other men. To this day we look at her as she sits in her little glass house, and when one asks mortal, "Shall I put on my warm coat today?" she answers, "Go and see what the thermometer is doing."
