Yes, 'tis true, our ball team was defeated by a score of 7 to 3 by the Holy Apostles team last Saturday afternoon, but not because of inferior playing, but because the Umpire was rather "near-sighted" when it came to rendering decisions, of which were several "raw" ones, which cost St. Mary's the game. The League should secure umpires who are capable of rendering their own decisions, and not allow the catcher's to call strikes for him. What we want is fair play, that's all.

Men's Raincoats

If ever a man needed a raincoat he needs one this year. Hardly safe to venture out without one on these days of overwhelming and unexpected downpours.

The raincoats we are offering to-day will give you perfect protection from the hardest shower. They are extra good coats, made by one of the best makers in the country.

We obtained a limited number of them at a big price concession, which explains why you can get a raincoat better than we have ever sold for \$10--

For \$6.50

The coats we have sold for \$10 are good coats—very good—but these are better. They're made of double texture cashmere, have slashed pockets and sleeve straps, all are tan color and good length. If you haven't a raincoat you should not miss seeing these—and getting one.
