The initiative of recreation will begin at 8:30 o'clock when the chartered cars will start from the corner of Gregory Street and South Ave. and convey the merry party to Charlotte where the "Manitou Special" will transport the picknickers to Grand View Beach. The picnic committee have interwoven a number of new and novel sports on the days program in addition to giving strict orders to the commissary department to have a wholesome and plentiful line of perishable in readiness for the club boys. Any person anticipating admittance into the League, may consult the Director, Father Boppel or any of the promoters and all questions will be gladly answered without the least obligation on their part.
