Behold my power. I am now an - Love Affairs of Handel.

was the signal for him to begin secret by to dissatisfy the peoples that King. prince had the advantage of legitima there, that was fed by a monkey to a children?"

Here was an opportunity that had not been given them before The conquered peoples formed a lengue to de throne. When all was ready the bol was shot. Paulus, now an old man, put tiger made off as fast as he could go "My dear bimself at the head of his armies, but he had lost the courage of youth and. finding his joints stiff, was not only unable to lead, but to keep pace with his subordinate commander. He was his life Being hunted, he sought safety their ages being unknown when they letters to you, written when we were dress me in an island where were no human beings except himself His only compan ious were the beasts.

One person only visited him there his old friend the philosopher "De you come to triumph over me in suto?" that your prophesies have come true?

"No: I come because rou are the same to me as you have always been A stone going up in the air, reating at the summit of its arc, falling or on wund is still a stone."

THE MONEY THEY CARRY.

Poor Men, as a Rule, Have More Their Pockets Than Rich Men. The next time you meet John D Rockefeller just ask-blm how much money he has in his pocket. Ask him how much he has in the safe at his house or in the safe deposit box at his bank -- I mean real, old fashioned bank notes and dollar bills. Let me tell you

Then he would set them up again and summer home on the coast of Massa sudden his business sprang up and conquer them by another method of chusetts where real money is scarcet when August came around it was decided that Mrs. Cook and the children was destined to accomplish great feats.

This boy's name was Paulus, and he was visiting us asked me to cash a had better spend a few weeks in some landed, from the time he was five londed, from the time he was five londed, from the time he was five londed with this glook he discovered he had only done to contained 38 per cent of a surmounted by a gild to be married off, and on that account bronze coin contained 38 per cent of with a surmounted by a gild to be married off, and on that account bronze coin contained 38 per cent of with a surmounted by a gild to be married off, and on that account bronze coin contained 38 per cent of with a surmounted by a gild to be married off, and on that account be coper in the form of powdered computations of gold and silver bells believe bells which thinks continually in the breeze and the continuall
