The first fall entertainment and Smoker of the Young Men's Association of the parish was held on Wednesday evening, Sept. 13, at the parish hall on South St. The entertainment began at 8 o'clock, at which time there were about 80 members present. Joseph Kurtz was at the piano. The first number on the program was Mr. J. Norton, who sang "Yaaka Hula Hickey Dula". It was a knock the L out of Kelly, and "Oregon", the latter by request; F. King sang "Ireland Must be Heaven, for my Mother Came From There" and "You Never Can Tell." "Junk" Graig sang, "I Found You Among the Roses" and "Sometimes a Smile, Sometimes a Frown." At the conclusion of each song hearty applause was given the singer. The principal feature of the evening was the lecture given by Mr. Philip H. Donnelly, one of Rochester's well known lecturers whose theme was, "The Civil Allegiance of Catholics and to Whom It is Due." He spoke principally on the Resolution presented to Congress just before that body adjourned by Congressmen Lindburg, of Minnesota, which calls for an immediate investigation of the political status of Catholics. His remarks were listened to attentively by those present. The committee consisting of Joseph Boland, chairman; Joseph Roth, John McCarthy and Leo Coakley are to be congratulated on the successful outcome of the Smoker. Lunch, refreshments, (grape juice) good cigars and (bad) cigarettes were passed around to those who were fortunate enough to be present.

It seems to be generally agreed by those who attended any of the evening's hilarity and amusement, that they were given an unusual, sensational and rare treat without any exaggeration and from the large and happy crowds in attendance each evening, proves a strong indication that the members of this and other parishes, have decided leaning toward clean amusement and entertainment of this class, especially one possessing all the elements necessary to attract the patronage of both old and young, which most creditably reflects on the zealous committee who so efficiently and thoroughly arranged the details for the making of the program.
