On Sunday afternoon at 4:30 o'clock there will be a meeting of the School Alumni in the church hall for the purpose of dividing ways and means to assist in furnishing a room in the convent of the Sisters of Mercy on South St.

Repairs and alterations in the home of the Sisters of Mercy on South street, are being rapidly pushed to completion. It goes without saying that after the necessary repairs have been made the Convent must necessarily be furnished. The Confraternity of Mary and the Young Men's Association of the parish have started the ball a-rolling by agreeing to furnish one room each. This does not prevent any individual from doing his or her share to assist in furnishing the home for the Sisters of Mercy.

When you come to think it over are they not worthy of a good home, well furnished in every respect. Their life is by no means an easy one, and they are entitled to the best there is on the market. Now, let's all get together and give the ball a good whirl and assist in furnishing a home for them that the members of the parish can feel proud of.

The following letter has been sent out to the members of the Holy Name Society and is self-explanatory.

Dear Brother:

Now that St. Mary's Parish has a Convent, a worthy home for a brave self-sacrificing body of women who are doing so much to keep the Religion of Jesus Christ in the world; it will be a real pleasure for the good people of the parish to furnish it becomingly for the Sisters, who are teaching our children in St. Mary's School.

Each Society in the parish are actively and enthusiastically engaged in doing some special part.

I am sure the Holy Name men of the parish will welcome the opportunity to contribute generously toward this splendid work.

As the other Societies are engaged in furnishing certain departments of the Convent, it would be well for the men to make a generous donation of money.

Please place a one or two or five dollar bill in an envelope and send it with your name and address to the Rectory. Don't wait to bring it in—send it at once, as the furnishings are urgently needed. Every Holy Name man in the parish should send in his contribution before Sunday, Oct. 1st, 1916. We are happy in the belief that there will be a most generous and universal response to our appeal. Our Society should raise at least One Thousand Dollars.
