FATHER JOHN'S MEDICINE KEEPS ALL MY FAMILY WELL AND STRONG

Vigorous Letter Praising Father John's Medicine by New York Mother.

"Father John's Medicine is the only medicine I rely on when my boy has a bad cold or is feeling weak and run down," says Mrs. John Kelly of 5 W. 101st Street, New York City. "I have known the value of the medicine for five years and hope this word of praise may urge others to try it. I have taken it myself and it has done me a lot of good." Signed Mrs. John Kelly, 5 W. 101st Street, New York City.

Many families keep Father John's Medicine on hand constantly in case of emergency because they know that as a tonic and body-builder it has more than fifty years of success. It is safe family medicine because it does not contain alcohol or dangerous drugs in any form but is all pure and wholesome nourishment for those who are weak and run down. It gives them strength to ward off disease.

Brief Conversations Improve Party-Line Service

WHEN you use your party-line telephone make your calls as brief as possible—please.

Short conversations will improve your service by keeping the line open for incoming and outgoing calls.

Short conversations will discourage "listening in" on the line—a discourteous party-line practice.

By holding calls down to five minutes or less you will be practising real co-operation.

And co-operation between subscribers keeps party-lines open for incoming and outgoing calls.
