The members of the Holy Name Society, who attended the meeting of the Society last Monday night were well repaid for their attendance. Excellent Stereopticon Views were thrown on the canvass and explained in detail by Rev. Father Esser assisted by Rev. Father Fitzsimons. The scenes shown were in Arizona, California and New Mexico and were very interesting, depicting in many instances the every day life of the Indians. After the lecture Rev. Father Esser threw up on the screen, as a side line of his own, a set of pictures portraying Mr. Hayseed trying to sell his calf. The antics he went through

to get his calf to the market were amusing and interesting. President Ready announced that at the first meeting in December he had secured a good speaker who would lecture on the Life of Pope Benedict XV., and that at the first meeting in January, 1917, a lecture would be given on the "Catholic Church", also by an excellent speaker. A vote of thanks was given Fathers Fitzsimons and Esser for their interesting entertainment.

Rev. Father Cameron, formerly assistant pastor of the church, will deliver a lecture on "The Catholic Church and Civilization", at 8 o'clock Sunday evening. Father Cameron is a most convincing and interesting speaker and it is expected that he will have a large audience.

Last Monday evening the Young Men's Association of this church held a "Hard Luck Party" in their club rooms. The young men enjoyed themselves smoking good cigars, and were entertained in various other ways. Solos were sung by Jack Norton and Herbert Bohrer and Harry McGinnis and Arthur Apple sang parodies on several popular songs. They were heartily applauded after each song. After the conclusion of the entertainment coffee and Hot Sausage were served. The object the young men had in holding the party was to get away for a time from the wave of prosperity they are now enjoying and get back to where they were four years ago "In Hard Luck."

A pool tournament was opened on Wednesday evening by the Y. M. A., in which every member is invited to participate as the entrants will be divided into three classes, A, B, and C. The entrance fee will be 25c and time on the table will be charged for at the regular rate of 20 cents an hour. Entries will be received by Messrs. Fenton, Kavanaugh and Dooley, who will have charge of the tournament.

The Party-Line Golden Rule

IN the Bible will be found the injunction that we do unto others as we would have them do unto us.

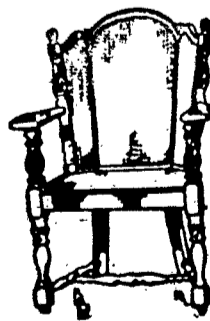

This precept originated long before the advent of party-line telephone service, but there is no better rule to-day for party-line users to follow.

By keeping in mind that other parties share the same line with the same needs and privileges, you will assist materially in improving the quality of your telephone service.
