

Practical Economy

Baking powders made from alum or phosphate may be bought for a trifle less than Royal Baking Powder, which is made from cream of tartar, derived from grapes.

Alum powders are not only cheap, but they differ greatly in leavening power.

If a cheap baking powder is used for a fine cake and the cake turns out a failure there is a waste of costly materials worth more than a whole can of the cheap baking powder.

Royal Baking Powder produces the finest food, and its use therefore, results in an actual saving

ROYAL BAKING POWDER CO. New York

LINCOLN UNDER FIRE.

A Salute That Might Have Carried Death in Its Train

In "Reminiscences" of William Statesman, a prominent New York politician, the author tells of a visit to a French town in 1864...

"As Mr. Statesman looked at the stern he said: 'Suppose you were in her shoes... I should like to see the build and the look that the old man had...'

"We had lunch at a hotel... when on looking up I saw the officer of the deck... hand and pointing off the compass...

"They obeyed with a will... sturdy stevedores... After he had assumed his seat...

"Doesn't this seem a great deal?" asked a timid young woman of the steward.

"The vessel, ma'am," said the steward, "is trying to set a good example to the passengers."

The Art of Optimism

Live in the fullness of life. Intent on what you can do, not on what happens to you. In the negative mood...

Just one little bit in the history of baseball that is a tribute who was willing to be a target of recorded...

There is all throughout and valleys... The mountain peaks are at a high altitude... with great beauty...

"How long has your daughter been studying?"

"Five years, and she has made good progress. She can talk about motifs and atmosphere and such things in such a way as to make you think she knows just what she means."

Chandel or Work a Specialty

HOLY FAMILY

LIBELED THE KING.

Then He Turned Informer and Won a Substantial Reward.

A Colonel in the Persian army, who had been captured at the close of the Seven Years' war, importuned Frederick the Great to be reinstated.

Some weeks later a most bitter libel against his majesty appeared. Frederick, who seldom gave himself any concern about such attacks, but the present one evaporated into so much that he ordered a search for the author.

"I don't know," said the culprit, "but the day following the discovery of the author, I demanded and obtained an audience."

"I don't know," said the culprit, "but the day following the discovery of the author, I demanded and obtained an audience."

"I don't know," said the culprit, "but the day following the discovery of the author, I demanded and obtained an audience."

"I don't know," said the culprit, "but the day following the discovery of the author, I demanded and obtained an audience."

PRISONERS GET "DOPE" FROM COUGH REMEDY

Sheriff Finds Drug Victims' Novel Source of Supply.

Many so-called cough cures offered to the public are heavily loaded with chloroform, opium, morphine, codeine and other narcotic drugs to such an extent that several prisoners of the Suffolk County jail at Boston got the drugs their appetite craved by pretending to be ill.

These dangerous habit-forming drugs do have a temporary effect on the cough but they do not have a lasting effect and soon the cough comes back worse than ever.
