Cause of the Trouble.

Specialist—Your heart is acting rather irregularly. Is there anything worrying you? Patient—Not particularly. Only just when you put your hand in your pocket I thought for a moment you were going to give me your bill. —Puck.

When He Remembers.

"Willie, don't you know that it is wrong to fight?" "Yes, ma'am, I know it's wrong, but I never think of it that way unless the fellow who makes me is one I'm sure I can't lick." —Detroit Free Press.

Must Have Been in the Dark Age.

"How many years ago did he live?" "Who?" "The man who said that two could live as cheaply as one?" —Detroit Free Press.

He who is firm and resolute in what he holds the world to himself. —Cassius M.

New Boy Scout Handbook.

The official handbook of the boy scout movement of which it has been necessary to print a new edition of 100,000 copies each year for the past five years, is being revised, and the next edition will contain a good deal of information which will interest boys in the art of safety, explaining how accidents can be avoided and how to help others avoid them at home at school, in shops, in the street, at public places, and in the woods.

The Bookbinder.

The following story entered the book binder's eye. Let the process stand with their unchanged, his eyes are and a book laid across the back of the horse. The leader in the center of the file to snatch a book from a pair of hands and ran the lambs before the owner of the books can snatch them away. If the books are so stashed away when the leader does not really take the book thus letting the latter get the one making this mistake must become the bookbinder. If the book is snatched and the knicker knapped for free, they can be drawn away by the bookbinder's hand.

A Pussy Clock.

A pussy clock is a clock which is set to ring at a certain hour... It is used to remind one of an appointment...

How Coal Was Named.

The name of coal was first applied only to fuel made of charred wood or other vegetable matter. When the use of mineral coal began it was called sea coal, because at first only found along the seashore along with seaweed and other wreckage cast up by the waves and thus supposed to be of marine origin. From its resemblance in color and binding qualities to char coal it finally received the simple name of coal.

Jimmy's Reason.

One day Jimmy was being taken to school. He was being taken to school by the school bus. Jimmy was being taken to school by the school bus.

New Fire Friction Record.

A new fire friction record among boy scouts has been established by Deputy Scout Commissioner Robert M. Yergason of Hartford, Conn. On Feb. 22 Mr. Yergason produced fire in 15.27 seconds. The time was taken from the first stroke of the bow until the flame appeared. The best previous record 17.35 seconds, was established by Scout L. M. Knight of Newton, Mass.

New Badge For Scouts.

A badge for scout seafibers has been authorized. It will consist of the ten different, second class or first class pin with two pins crossed beneath it.

English Children's May-Song.

Spring is coming, spring is coming, Birds are singing, flowers are coming, Weeds are growing, and feathers, Peas are coming, peas are coming.

Spring is coming.

Spring is coming, spring is coming, Birds are singing, flowers are coming, Weeds are growing, and feathers, Peas are coming, peas are coming.

MODEL FOR THE STOUT. Modern Suit For Those Over-plump Ones. You Know.

NEVERtheless SMART. Lines from bust to hip give the distinction, while gray squirrel makes the nattiest kind of collar and cuffs. The Slave. The word "slav," including Serbians, Russians and allied races, had originally to do with slaves or slavery. Its proper form is "Sklav," or "Slave" with the "K" sound in Latin tongues "Schlav" or "Shlayon." German folk speech used the word "Wend" to designate a Slav, the Prussians themselves being originally Wends.—Exchange. Strictly Professional. "Jims came to blows with the landscape architect his wife employed over his charges." "What happened?" "Naturally the landscape artist laid him out."—Baltimore American.

For the Old Folks' Comfort. The Electric Heating Pad is more dependable, gives better results, is more cleanly and far less troublesome than any other medium used for like purposes. To the aged, especially during the winter months, the Electric Heating Pad is a great comfort. It warms the cockles of their hearts, so to speak, and makes them feel that life's worth living after all. It's a great privilege to have the old folks with us and it is still a greater privilege to be able to minister to their comfort and contentment. Get an Electric Heating Pad. The old folks will enjoy it—so will you. PHONE US. Rochester Railway and Light Co. Bell—Main 3960 Home—Stone 3960.

— Get rid of dandruff — it makes the scalp itch and the hair fall out. Be wise about your hair, cultivate it, like the women in Paris do. They regularly use ED. PINAUD'S EAU DE QUININE the wonderful French Hair Tonic. Try it for yourself. Note its exquisite quality and fragrance. Aristocratic men and women the world over use and endorse this famous preparation. It keeps the scalp clean and white and preserves the youthful brilliancy of the hair. Buy a 50c bottle from your dealer—or send 10c to our American Offices for a testing-bottle. Above all things don't neglect your hair. PARFUMERIE ED. PINAUD, Dept. M ED. PINAUD Bldg., New York
