**FURS**  
 SUPERIOR IN QUALITY

**Our January Sale**

Promises this year to be even a greater Fur-buying event than it has been in the past—because of the following reasons:

There is a greater variety of Fur Garments and Sets from which to choose.

The reductions are greater than before—for although the prices of skins are advancing, we continue our established custom of carrying over no manufactured Furs.

And this year you will make a double saving—the reduction of this year and the advance in the price of furs next season.

And it should be remembered that the Furs offered in this Sale are not cheap Furs—made to be sold at a low price—but every coat, set and separate piece is of "Meng & Shafer" Quality—and every article in stock is placed on sale, with the original price ticket and the reduction price tag—so that the remarkable saving may be seen at a glance.

Men's Natural Raccoon and Fur Motoring Coats and Men's Fur Lined Coats are included in this Sale.

Take advantage of this unusual opportunity to purchase Furs of Meng & Shafer quality at reasonably low prices.
