

HOME LIGHTING

HOW To Make Your Will So It Can't Be Broken

Brilliant Lamps Do Not Necessarily Give Good Light.

HARDSHIPS OF EYE STRAIN

Try to Illumine Your Room to Meet the Use You Put It To—Strive For a Replica of Sunlight From Overhead and Sidewise.

One American society consists of more than 1,000 members interested in lighting from various standpoints...

Do not think that because a lamp looks glaring and brilliant it is giving good light. It may be merely giving you too much light in the wrong place.

Be wary of reflections that come from polished glass, metal, or other surfaces...

It is a mistake to use a bright light against a dark background, and while an artistic feature is well enough as a decoration...

A NEW MENU.

ROME'S GREAT COLOSSEUM.

A Grim Theater of Death That Was Drowned With Blood.

The most imposing theater ever erected by mortal hands, a grim house of death, consecrated by blood and tears...

The Colosseum stands today a stupendous monument to Roman pride and degradation.

Almost a third of a mile in circumference, it towers 157 feet up into the air...

In the construction of the Colosseum its builders adhered to the then new note of superimposing the three orders...

But who thinks of that standing before it today with the golden Italian sunshine glorifying every scar...

Before it today with the golden Italian sunshine glorifying every scar and conjuring back from the dead past vivid spectacles of Roman holidays...
