Spring Suits for Boys

Good clothes, well fitting clothes, clothes that have a manly look to them mean a great deal to any boy. The well dressed boy makes a good impression and the very fact of his being well dressed makes him more particular in the little things of life, more careful and considerate.

Our boys' clothes are made to look well, wear well and feel well. The new styles for spring are here and we should be very glad of an opportunity to show you what beautiful fabrics and attractive models are represented in our boys' suits.

Each suit has two pairs of trousers, has taped seams, side, hip and watch pockets, buttons and buttonholes at knees—a great improvement upon the constantly-coming-unfastened buckle.

These suits are for boys from 8 to 18 and are priced at \$8.50, \$10, \$12.50 and \$15.

There are other good suits at \$6.50 and \$7.50 and the always popular Kidnap suits at \$4.95.
