Interesting Budget of Happenings Gathered by Our City Reporter

**St. Boniface.**

The masses on Sunday will be at 6, 7:30, 9, 10:30 o'clock.

Easter collection will be taken up at all masses Sunday.

At the 7:30 o'clock mass Sunday morning, the St. Herman's Benevolent Association and the Young Ladies' Sodality will go to Holy Communion in a body and will occupy the center aisles.

The Holy Name Society held their monthly meeting at the Parish Hall last Sunday evening.

On Wednesday evening last, St. Herman's Benevolent Association held their regular monthly meeting and on Tuesday the Ladies Auxiliary held an important meeting.

The Bazaar Committee assembled at the Parish Hall last Monday evening to make final arrangement for the "Bazaar and Fair" to be held for the benefit of the Church, beginning Wednesday evening, April 11th, and ending Saturday evening, April 14th. The festivities will be held at the Parish Hall, corner Gregory and Nicholson Sts., and no efforts have been spared to make this event an epoch in the history of the church. The amount obtained will be used to defray the expense of decorating the interior of the Church and every member should heartily cooperate towards this worthy and noble cause. The hall has been artistically decorated and the booths represented by the various societies are well arranged, some with new, original and novel attractions. The donors have been very generous and for this reason the many different articles will be disposed of at very reasonable prices and many of the people will avail themselves of this exceptional opportunity. It is hoped that the fair will be well patronized and that the members of this parish will invite their many friends and acquaintances from far and near to attend at least one night. A real treat is promised each night. Don't forget to do your share.

The death of Andrew Winterkorn, aged 62 years, took place Wednesday evening at his home, 158 Mt. Vernon Ave. He leaves a wife, Mrs. Anna Winterkorn; two sons, four daughters, one brother, two sisters and seven grandchildren. He was a member of Branch 80, C.M.B.A.; St. Herman's Society and the Holy Name Society of this church. The funeral was held from this church Monday morning at 9 o'clock.

**St. Mary's Church.**

The masses on Sunday will be as follows: 6, 7, 8:30, 9:30 and 10:45 o'clock.

The regular monthly meeting of the Young Men's Association was held Monday evening in the Assembly hall of the church and was well attended. After considerable discussion President Thos. F. Vogt, appointed a committee composed of Vincent Wisner, chairman; Joseph Doser, Norman J. Dixon, Raymond O'Dea and Frank Wilson to look after the formation of a drill corps. The committee have decided to ask the club's board of managers to recognize the semi-military organization. It will be remembered by many that the Y.M.A., sent one-tenth of its membership to the Mexican border in response to the President's call last year, hence the action taken by the club to prepare by forming a drill corps. The newly elected officers had charge of the meeting. Reports from various committees were read and plans for the coming year were outlined. Considerable discussion was held in regard to the third annual minstrel show of the club. The members also talked over the matter of organizing a Catholic Baseball League. John A. Kavanaugh, chairman of the membership committee reported a steady growth in membership.

The two weeks mission which closed last Sunday evening, conducted by the Carmelite Fathers, was the most successful ever held in the Parish.

At a meeting of the Catholic Base-Ball League held at the Y. M. A., assembly rooms on Tuesday evening, the Knights of Columbus and Holy Cross parish, Charlotte, were admitted into the League. Wm. J. Burke president of the League presided.

The Knights have gone ahead with plans and appointed a com-

The annual Easter collection will be taken up at all the masses on Sunday for the Decorating and electric lighting of the church. All members of the congregation should be as generous as possible.

Miss Christine Staub of 342 Avenue A., is spending several weeks vacation in New York and Lakewood, N. J. She will be the guest of her aunt and uncle, Mr. and Mrs. Wm. J. Klem of Lakewood, New Jersey.

Solemn high mass will be celebrated on Easter Sunday and the sermon will be delivered by Rev. Father Virgilius, a missionary, whom the members of the congregation will remember as being here four years ago, when a mission was conducted by the Fathers of the Precious Blood.

**Exceptional Values in Rugs**

This is perhaps one of the best rug propositions we have ever made. Here are in the neighborhood of 75 rugs, Wiltons, Wilton Velvets and Axminsters, on which the saving in price now will be to you nearly 40 per cent under prevailing prices.

The explanation is this. The major portion of the rugs are imported pieces which on account of conditions abroad due to the war, cannot now be duplicated or secured in other sizes.

The Wilton rugs are in Persian, Chinese and period patterns which have a soft sheen only obtainable in the finest weaves. There are delicate blue and rose colorings for chambers, while the heavier shades are for living rooms and libraries.

The Wilton rugs in 9 x 12 size would sell at today's market price for about \$82. We shall dispose of them at \$52.50. There are also a few of these Wiltons in 9 x 10.6 size.

The Velvet and Axminster rugs come in all-over patterns and are less expensive rugs. These are particularly suited for living room or library. The savings to be effected on these cheaper rugs are as attractive as on the more expensive. Sale prices range from \$17.50 to \$31.50.
