A Word About Boys' Clothes

Parents are well aware that boys are particularly hard on clothes. They don't let up one bit in their play schedule in order to save the clothes. That's why boys' clothes that give a good account of themselves—that wear well—have to be extra well made and of better than ordinary quality. It is this kind of clothing that we aim to provide for the boys and at the same time furnish it at a reasonable price.

Every suit in 8 to 18-year sizes has two pairs of trousers. Prices are \$8.50, \$10, \$12.50, \$15 and \$16.50.

We have other very good suits at \$6.50 and our famous Kidnaper suit, with two pairs of trousers, for \$4.95.

A good line of boys' hats too. The stitched tweed hats are very durable—\$1.00 and \$1.50.

Boys' caps at 50c, 75c and \$1.
