summer. A well laundered stiff cuff shirt has
many friends and many men find it more to their
liking.

This is an opportunity for men who favor the
stiff cuff and appreciate an exceptionally good
shirt at a very low price.

There are about 1,800 of these shirts, fine
count percales, coat-style, all hand laundered, full
bodies, genuine pearl buttons. Pattern assortment
offers you unlimited selection.

They'd be mighty good value at a consider-
ably higher price.

The Eden Electric Washer and Wringer Machine Eliminates the Strain on Wash Day

Why? Because such machines banish the soul-trying,
nerve-racking physical labor common to wash day in
homes where the washing, rinsing and wringing are done
by hand.

With an "Eden" your laundress can do the washing in
one-third of the time—and the clothing will not only be
washed better, but it will last longer.
Between two and three cents' worth of electricity will do
the washing for an average family.

Price \$87.50

Our own faith in the Eden Electric Washer is such that
we gladly send them out on 15 days trial. We will also
send an operator to assist with the first washing if desired.
