Men's Overcoats That Are Right Right in Making---Right in Price

Men who appreciate the value of having things right will recognize in the overcoats we are offering here this season, some of the best values to be found anywhere—in this city or out of it.

They are not merely overcoats for a day. They are heavy enough for all-winter wear and they are made in a manner that places them well up to the front in point of tailoring and style.

All-wool mixtures, plaids and invisible stripes in dark colors—smart, snappy effects that appeal to the younger men, and the more dignified models for men of more mature years.

There are two assortments, one of which offers an excellent selection at \$14.85.

The other presents a line of superb overcoats all marked at \$17.85.

Colors that are most asked for, Taupe, Oxford Gray, Russian Green, Dark Brown, Reindeer, Navy, Pekin Blue, Silver Gray and Black.
