

CAUSED BY WEIGHT OF SNOW

Simple Explanation of Odd Shapes of Trees, That Has Been a Mystery to Many.

To the person who is not versed in forest lore the grotesquely bent tree trunks that are to be found in almost all woods are mysterious, and wonder is often aroused as to the cause, remarks the Popular Science Monthly.

Foresters will tell questioners that in the case of trees in mountainous country and other sections where the snowfall is heavy, the weight of snow is responsible in most instances for the queer twists they assume.

BECOMES IRKSOME AT TIMES

No Matter What the Nature of One's Occupation, Its Repose Will Occur occasionally.

Are there times when your work becomes irksome to you? Well, don't jump at the conclusion that you are in the wrong place when this happens once in a while.

Out of 338 acres of redwood timber standing untouched before lumbering operations were begun in the county, 93,000 acres have been cut over.

DIPLomat OF HIGHEST RANK

Why It is Advisable That Country Should Be Represented by Ambassador.

Ambassador is the highest diplomatic officer. Ambassadors, in addition to the usual privileges accorded representatives of foreign governments, have the special one of personal audience with the head of the state to which they are accredited.

Almost two-thirds of the nut is vegetable butter. The tree begins to bear when it is fifteen years old and reaches its prime in twenty-five years.

HOW

One's Work on War Gardens Helps Railroads

Making of war gardens next spring will contribute to the successful operation of the railroads by the government and help solve the war-time transportation problem, according to a statement made by Charles Lathrop Pack, president of the National Emergency Food Garden Commission.

"We must all give Mr. McCarson all possible cooperation," said Mr. Pack "for the roads are for the time being your roads. In raising as much food as possible for the kitchen that you are helping yourselves. A survey of available garden land is now being made in many states.

USING UP REDWOOD FORESTS

Why It is Necessary to Call a Halt Before the Supply Has Entirely Given Out

Methods of increasing production of redwood lumber in Humboldt county means that in less than a century the only commercial redwood forest in the world will be stripped bare, according to calculations made by George A. Kellogg, secretary of the Humboldt chamber of commerce.

HARD TO CHEAT FATHER TIME

Wise is the Man Who Appreciates Value of Punctuality, and Great is His Reward.

A young Kentuckian has lost a big fortune by being 20 minutes late in keeping a business engagement.

The cheerless old fellow with the scythe always gets all that is coming to him. And there is many a bad scar on our fortunes where he has had to prod us up to the mark.

Time is cheap, and we are apt to think we can flitch it as we will. But it is always ourselves we rob, not time.

Maybe you can waste your own time by being late in keeping engagements and feel that the loss, if any, is your own affair.

BUNYAN ACTIVE TO THE END

His Last Years Busy Though Peaceful Ones and Death Result of Act of Self-Sacrifice.

The closing years of the life of John Bunyan were peaceful, unlike in that respect the years that had gone before, but they were busy years, devoted to preaching, to the work of a pastor and teacher.

His end was brought about by exposure when he was engaged in an act of charity. A quarrel had broken out in a family at Reading with which Bunyan had some acquaintance.
